THE USER IS AWARE THAT THE INFORMATION PROVIDED VIA THE WEBSITES IS NOT INTENDED AS FINANCIAL ADVICE OR OTHER REGULATED FINANCIAL SERVICES. THE INFORMATION IS GENERAL AND IS NOT PERSONALIZED FOR INDIVIDUAL USERS.

THE USER IS FURTHER AWARE OF THE FACT THAT CRYPTOCURRENCIES ARE CONNECTED WITH HIGH RISKS, IN PARTICULAR FOR THEIR HIGH PRICE VOLATILITY, ABSENCE OF ANY CENTRAL AUTHORITY, PREDOMINANTLY ABSENT LEGAL REGULATION. A DETAILED DESCRIPTION OF THE HAZARDS AND RISKS IS PROVIDED IN THE TERMS AND CONDITIONS OF THE CRYPTOCURRENCY WALLET.

THE USER UNDERTAKES TO EXAMINE AND EVALUATE CONSCIENTIOUSLY, WHETHER HIS FINANCIAL SITUATION AND ABILITY TO ASSESS THE RISK COMPLIES WITH THE SERVICES PROVIDED BY THE COMPANY.

1. Basic Provisions

- 1.1. Company. The Company **UPDN ONE s.r.o.**, company ID No.: 026 54 962, with its registered office at Na strži 1702/65, Nusle, 140 00 Prague 4, entered in the Commercial Register of the Municipal Court in Prague, under the file ref. C 221822 (hereinafter referred to as "**Company**") provides cryptocurrency and related payment services (hereinafter referred to as "**Services**"). The Company reserves a right to change the scope and conditions of the Services provided at its discretion, including the provision of the Services through third parties.
- 1.2. Websites. The Company shall provide its Services through the website <https://wexopay.com> and <https://account.wexopay.com> (hereinafter referred to as "**Websites**"), to the extent and in the manner specified on this W 1.2.1.3. Application.
- 1.3. App. The Company also provides certain Services through the wexo mobile application (the "**App**")
- 1.4. General Business Terms and Conditions. These General Business Terms and Conditions (hereinafter referred to as "**GBTC**") are issued in accordance with the Section 1751 et seq. of the Act No. 89/2012 Coll., the Civil Code, as amended (hereinafter referred to as the "**Civil Code**"), and regulate the mutual rights and obligations between users of the Websites and the Company providing the Services.
- 1.5. Partnership Websites. The Company may also provide the Services through the website <https://crypton.digital>, which is operated by the Company's business partner - the company **CRYPTON DIGITAL, SE**, company ID No.: 51 051 435, with its registered office at Staré Grunty 18, Bratislava - Karlova Ves 841 04, entered in the Commercial Register kept by the District Court in Bratislava I, section: Po, file no.: 4211/B. Provisions of these GBTC and provisions of the

conditions of specific Services shall apply similarly to the Services provided through the websites listed in this paragraph, provided that the users of these websites agree to these GBTC and the conditions of specific Services.

1.6. Definition of some Terms.

Cryptocurrency: An electronically stored unit, regardless of whether or not it has an issuer, and which is not a fund under the Act No. 370/2017 Coll., on Payment Systems, as amended, but is accepted as payment for goods or services by another person different from its issuer (e.g. bitcoin, litecoin, ether and others).

Contracting Parties: Contracting Parties mean the Company and the User; “Contracting Party” means the Company or the User.

Consumer: Any person who, outside the scope of his business activities or outside the scope of independent performance of his profession, enters into a contract on the provision of Services with the Company.

User: Any person who uses the Website.

2. User Account

2.1. Consent to GBTC. A User who is interested in one of the offered Services is obliged to register on the Website or in the App first and then create his user account. By registration, the User confirms that he has read these GBTC and agrees with them.

2.2. User account. Based on the User registration made through the Website or the App, the User can access his user account. The Services cannot be used without the user account. The User undertakes to use the account only for his own use and not for managing the funds of a third party.

2.3. Timeliness of Information. When registering and subsequently using the Website or the App, the User is obliged to state all data correctly and truthfully. The User is obliged to update the data specified in the user account immediately upon any change.

2.4. One Account. The User undertakes to register and use only one (1) user account. The User shall not allow a third party to open, administer or manage his user account, nor will the User do so on behalf of a third party.

2.5. Access data. Access to the user account is secured by a username in the form of an e-mail address, a password and possibly two-factor authentication (2FA). If access data is lost, the User must prove his identity to the Company, as well as the fact that he is the owner of the user account.

2.6. Death of the User. In case of the User's death, the persons authorized to handle the account must prove to the Company their identity as well as their authorization to the account.

2.7. Account Misuse. The User acknowledges that any data from the user account, especially his access data, should not be disclosed to third parties, while any such disclosure is at his account. The Company shall not be responsible for any loss or disclosure of the login name and password by the User.

At the same time, the User is always obliged to immediately inform the Company about any possible loss or misuse of his account.

2.8. Suspension and Cancellation of the Account. In justified cases, in particular in case of breach of the User's obligations or in case of suspected misuse, the Company may suspend or cancel the user account.

2.9. Custody Fee. If the user account is not actively used for a period of 12 (twelve) consecutive months, the Company is entitled to start charging the User a custody fee after 30 (thirty) days from sending the notification to the User. The custody fee is amounted to EUR 3.00 per month in relation to the balance in fiat (legal) currency and 0.3% of the cryptocurrency balance per month in relation to the cryptocurrency balance. Charging of the fees shall be stopped as soon as the User starts to use the user account again.

3. Contract

3.1. Contract. After successful registration, the User can choose a required Service in his user account. These GBTC, the specific terms and conditions of the Service, the privacy policy and all other relevant information communicated in writing constitute a contractual commitment concluded between you, as the user, and the Company, as the Service provider (hereinafter referred to as the "**Contract**").

3.2. Conclusion of the Contract. Through these GBTC, the Website and the App, the Company makes a public offer to enter into a contract under the terms and conditions specified therein. The Contract shall be deemed as concluded between the User and the Company by confirming the acceptance of the chosen Service by the User.

3.3. Keeping of the Contract. The Company shall keep a text of the Contract consisting primarily of these GBTC and the conditions of a specific Service in electronic form. The User may at any time become familiar with these GBTC and conditions of a specific Service directly on the Website or in the App.

3.4. Prohibition of Assignment. The Company enters into the Contract with you personally, and you may not assign any rights or obligations arising out of this Contract to any another person.

3.5. Non-claimed Services. The User has not legal right to conclude a Contract.

4. Balance

- 4.1. Subject of the Balance. The User has access to the balance representing fiat currency and cryptocurrency within the user account. The user can freely dispose of the balances, especially to withdraw the balance or use the offered Services at any time. The balance can also be negative.
- 4.2. Balance Currency. The user shall determine the currency or currencies in which the balance is maintained according to possibilities of the offered Services.
- 4.3. Balance Increase. The User may increase the balance on the user account with funds in Euro (EUR), Czech crowns (CZK), or in other fiat currencies supported by the Company, or in the form of any of the cryptocurrencies supported by the Company.
- 4.4. Increase in Fiat Currencies. Payment of the deposit in fiat currencies is made only in a non-cash manner, by bank transfer to the bank account. The Company's bank account number for a particular fiat currency and other payment details shall be listed on the Website or in the App. The User must always specify an individually generated variable symbol.
- 4.5. Increase in Cryptocurrency. Payment of the cryptocurrency deposit may be provided to the address generated by the Website or by the App.
- 4.6. Withdrawals of Fiat Currency. Withdrawals in fiat currency may be made by the User only to a bank account held in the European Economic Community in the name of the User, while the User is obliged to prove this to the Company in advance. The User acknowledges that a withdrawal in fiat currency may take up to 14 days from the moment of entering the order up to crediting the amount to the user's bank account. The company shall not be responsible for any further delays on part of financial institutions or on part of the User in providing the necessary cooperation.
- 4.7. Exclusively Own Funds. The User undertakes to use only his own funds or cryptocurrencies when using the Services.
- 4.8. Obligation to return unjust enrichment. If the User uses in any way the funds, he/she has obtained by displaying an incorrect balance in his/her User Account, this shall constitute unjust enrichment on the part of the User, in the amount of the difference between the actual balance and the incorrectly displayed balance. In such a case, the User is obliged to return the unjust enrichment to the Company without delay after the Company has been notified by e-mail of the incorrect balance and the unjust enrichment.

5. Withdrawal

- 5.1. Withdrawal Right. Any of the Contracting Parties is entitled to withdraw from the Contract in case of breach of the Contract by the other Contracting Party in such a material way that the other Contracting Party would never have concluded the Contract in such a case.
- 5.2. Sample Form. To withdraw from the Contract, the User who is in the position of a Consumer may use the standard form for withdrawal from the Contract, which is attached to these Terms and Conditions.
- 5.3. Provided performance. In case of withdrawal, each of the Contracting Parties is entitled to a refund the performance already provided. The withdrawal shall be effective as from the time of written delivery to the other Party, while the withdrawal can be delivered to the other Party only in the form of a written correspondence or e-mail.

6. Defective Performance Rights

- 6.1. Statutory Regulation. The rights and obligations of the Contracting Parties regarding rights arising from defective performance shall be governed by the relevant generally binding legal regulations, in particular the Civil Code and the Act No. 634/1992 Coll. on Consumer Protection, as amended.
- 6.2. Application Deadline. The rights from defective performance (complaint) must be exercised by the User immediately as soon as the User learns of the defects, in writing and it must be delivered to the Company no later than within 10 days after transaction on the user account which the defective performance relates to.
- 6.3. Settlement Deadline. The Company shall handle the complaint within 30 (thirty) days from the date of delivery of the complaint.

7. Measures against Money Laundering

- 7.1. Obligated Entity. The User understands that the Company, as an entity providing services related to virtual currency is so-called - obliged entity in terms of the Section 2 (1), I) of the Act No. 253/2008 Coll. on Selected Measures against Legalization of Proceeds from Crime and Financing of Terrorism, as amended (hereinafter referred to as the “**AML Act**”).
- 7.2. Nature of the Measure. The User acknowledges that the Company, as the obliged entity, must, among other things, properly identify and control the User, keep information concerning the User and his transactions, and report and postpone suspicious transactions.
- 7.3. User Cooperation. The User undertakes to provide the Company upon its request with all cooperation in fulfilling its obligations under the AML Act, in particular to provide all information and

documents necessary to verify the user's identification without delay, as well as information and documents on the sources of funds and cryptocurrencies used and the purpose of transactions.

7.4. Declaration of the User. The User declares that the funds or cryptocurrencies sent by him do not come from the proceeds from crime and the purpose of buying and selling virtual currencies is not to launder the proceeds from crime or to carry out transactions aimed at supporting or financing terrorism within the meaning of the AML Act.

7.5. Prohibition of Services Misuse. Furthermore, the User undertakes not to use the Services:

- to transfer assets from or to countries that are considered risky or high-risk in order to prevent money laundering or terrorist financing; the list of these countries is published and updated by the organization FATF-GAFI via the website; and
- to transfer assets (even if only in part) to or from a person originating in the abovementioned risky or high-risk country; (i) in case of a natural person, origin means any state of which that person is a national, and at the same time all other states in which the person is registered for permanent or other residence, (ii) in case of a legal entity, origin means the state in which the entity has its registered office, and at the same time all states in which the entity has its branch, organizational unit or place of business.

7.6. Limits. The User acknowledges that in connection with performance of its obligations under the AML Act, the Company may, without prior notice, exercise volume restrictions (per trade or the sum of trades) or restrictions on number of executed trades per User, group of users or a specific wallet with virtual currency.

7.7. Supervision. Activities of the Company as the obliged entity shall fall under the supervision of the Financial Analysis Office.

8. Danger of Damage
